The book *The Challenger Launch Decision: Risky Technology, Culture, and Deviance at NASA*, Diane Vaughan, Enlarged Edition, Diane Vaughan is published by University of Chicago Press.

The Challenger Launch Decision: Risky Technology, Culture ... work in shaping the Challenger launch decision. She argues that the cost of failure, or risk was so high that the decision makers could not have decided to go ahead with the launch, as failure would jeopardize their organizational goals that were competing with safety of the mission. Risk and the Work Group Culture
