The BBC primetime series, The Great British Sewing Bee, is back. The companion book to the sixth series of this flagship BBC show, The Great British Sewing Bee: Sustainable Style accompanies sewers at all levels on their creative journey to reduce, reuse and recycle - ultimately creating their own considered closet. Starting with the essentials, sewers will learn how to maintain and care for their sewing machine, find out the secrets to using an overlocker (and what to do if you don't have one) and the key to pattern matching. With a guide that demystifies the fitting process, and with expert sewing tips on making alterations, you'll be able to choose from 27 projects, for both women and men, that will ease you into the world of sustainable sewing. For burgeoning dressmakers, this book showcases a vast array of sustainable and natural fabrics, reveals how to breathe life into old garments and entices the would-be sewer to dress handmade. Interspersed with sustainable tips, from advice on keeping an eco-friendly sewing space and how to better care for your garments, to guidance on recycling old clothes, using up fabric scraps and making repairs, this book is an indispensable reference to a more considered approach to sewing, that will encourage you to create long-lasting projects to cherish. With womenswear sizes ranging from 8 to 22 and menswear sizes ranging from XS to XL, along with five downloadable pattern sheets, expert sewers Caroline Akselson and Alexandra Bruce cover everything you need to build your sewing repertoire and grow in confidence as you sew yourself sustainable.

The companion book to the sixth series of this flagship BBC2 show, The Great British Sewing Bee: Sustainable Style accompanies sewers at all levels on their creative journey to reduce, reuse and recycle - ultimately creating their own considered closet. Starting with the essentials, sewers will learn how to maintain and care for their sewing machine, find out the secrets to using an overlocker (plus, what to do if you don't have one) and the key to pattern matching. With a guide that demystifies the fitting process, and with expert sewing tips on making alterations, you'll be able to choose from 27 projects, for both women and men, that will ease you into the world of sustainable sewing. For burgeoning dressmakers, this book showcases a vast array of sustainable and natural fabrics, reveals how to breathe life into old garments and entices the would-be sewer to dress handmade. Interspersed with sustainable tips, from advice on keeping an eco-friendly sewing space and how to better care for your garments, to guidance on recycling old clothes, using up fabric scraps and making repairs, this book is an indispensable reference to a more considered approach to sewing, that will encourage you to create long-lasting projects to cherish. With womenswear sizes ranging from 8 to 20 and menswear sizes ranging from XS to XL, along with five full-size pattern sheets, expert sewers Caroline Akselson and Alexandra Bruce cover everything you need to build your sewing repertoire and grow in confidence as you sew yourself sustainable.

Tailor-make your wardrobe with this essential dressmaking e-guide. Discover everything you need to know to design, create, and customize your clothes. Guiding you through every stage of clothes-making in a clear, easy-to-understand way, Sew Your Own Wardrobe shows you how to make timeless wardrobe staples that can be easily adapted to suit your style. Choose the perfect fabrics for any project, try your hand at a range of machine-sewing techniques, and put your new-found knowledge to use with 13 downloadable patterns that can be adapted to create more than 30 stylish garments. With step-by-step e-guides and patterns to make classic dresses, skirts, tops, trousers, and jackets, alongside ideas for refreshing and reinventing your old clothes, Sew Your Own Wardrobe has everything you need to ditch fast fashion and create stunning, original clothes to suit your style.

The BBC primetime series The Great British Sewing Bee, is back. Starting with the basics, from how to use a sewing machine and understand paper patterns, to knowing your fabrics and how to achieve that perfect finish - this is a go-to guide that you will keep referring back to. With a section that demystifies the fitting process, and with expert sewing tips on making alterations, you'll be able to choose from a variety of projects that will ease you into the world of sewing. For burgeoning sewers, this technique-focused book reveals the joys of sewing and the tools and skills required to progress. Interspersed with essential tips, from advice on finishing - tacking, hand stitching, hemming and more - to guidance on adding decorative finishes including piping, exposed zips, appliqu\u00e9 and more, this book is an indispensable reference that will encourage you to take the leap and start creating long-lasting projects to cherish.
