The Lonely Tree (German: Der einsame Baum, sometimes translated as "The Solitary Tree") is an 1822 oil-on-canvas painting by German painter Caspar David Friedrich. It measures 55 × 71 centimetres (22 × 28 in). The work depicts a panoramic view of a romantic landscape of plains with mountains in the background.

~~The Lonely Tree—Wikipedia~~

The Lonely Tree is the first fictionalized account of the true story ofthe siege and fall of the Etzion Bloc settlements, south of Jerusalem. Seen through Tonia's evolvingpolitical, spiritual, and social sensibility, this period is brought to life ina compelling read that requires no prior familiarity with the time and place.

~~The Lonely Tree—Kindle edition by Politis, Yael—~~

If you can see the Lonely Tree for what it really is, it's probably too late. This carnivorous organism hypnotizes anything that comes near, luring prey with hallucinations of their innermost desires. Once they draw near, the hallucinations turn to ceaseless dreams, while the roots consume the victim in their sleep.

Inspiration In 2011, Lonely Olive Tree Organics™ Founder, Dimitri Kallianis, a successful chef and restaurateur in the suburbs of Chicago, Illinois traveled back to his father ' s birthplace of Sparta, Greece in a quest to bring his family ' s historic, unique single-origin olive oil to America.

~~Our Story—Lonely Olive Tree Organics~~

The Lonely Tree Probably the most photographed tree here on Flickr it's the lonely tree of Wanaka! Living in Queenstown just across the mountain from Wanaka I always wanted to get some astro shots with this in the foreground (even if it meant wading out into the lake) but I never got round to it so a long exposure daytime shot had to do.

~~The Lonely Tree | Probably the most photographed tree here—~~

The Lonely Tree vividly recounts the experiences of Tonia Shulman, who is a small child when her family leaves Poland for British Mandate Palestine and a teenager when they move (against Tonia ' s strenuous objections) to an isolated kibbutz. Life on the kibbutz is dangerous and demanding, but its difficulties pale in the face of the growing Nazi presence that is consuming Europe – and the extended families they left behind.

Tonia Shulman does not share her father's dream - forging a Jewish State out of the chaos of British Mandate Palestine. She hates the hardships of life in an isolated kibbutz south of Jerusalem -- clearing rocky hillsides, washing in rationed cups of trucked-in water, and being confined behind barbed wire. Her own dreams have nothing to do with national self-realization; she longs for steaming bubble baths and down comforters, but most of all for a place on earth where she can feel safe. She falls in love with Amos but refuses to acknowledge these feelings. She knows he will never leave his homeland, and Tonia plans to emigrate to America. But can she really begin a new life there? The beginning of The Lonely Tree is interwoven with the true story of Kfar Etzion, a kibbutz that was overrun by the Arab Legion during pre-War of Independence hostilities. Yael Politis is a native of Michigan and has lived in Israel since 1973. In her spare time from writing fiction, she is employed as a Proposal Writer, Editor, and Hebrew-English Translator.

A gorgeous gift book to celebrate the true meaning of Christmas – a perfect gift for any Christmas stocking. A lonely tree stands on the cold, frosted hillside gazing at the other trees sparkling in the village below. How it longs to be with them! Then suddenly out reaches a warm friendly hand, and with a wobble and a shake, a very jolly fellow takes the tree on a journey to a new place ... where the tree will feel that it belongs once more, surrounded by old friends and new. A beautiful Christmas gift inspired by the Christmas poem 'Twas the Night Before Christmas. With an uplifting message about overcoming loneliness and celebrating being together. A special edition where the words and pictures take you on a journey far beyond the page. This audio-enabled eBook comes with a gorgeous reading by Sarah Ovens, along with music and sound effects.

Fiction. Jewish Studies. Tonia moves with her family from Poland to British Mandate Palestine, first to her uncle's small apartment in Tel Aviv and later to the kibbutz that her father Josef helped to establish. Due to the hardships of life in the kibbutz and against the backdrop of what is happening in Nazi-occupied Europe, she longs for security and comfort. Amos is a handsome and exotic Yemenite who fights in the Jewish underground, to which Tonia's father is vehemently opposed. Despite their different backgrounds, Tonia and Amos fall in love.This budding romance is interrupted by the siege of Tonia's home, Kfar Etzion. Tonia finally achieves her dream and moves to Michigan in the US, hoping her family will follow her. But is this where she belongs? The desperate fight is described very movingly and it is the first fictionalized account of the true story of the siege and fall of the Etzion Bloc.

ACORN EL IS A STORY ABOUT A LONELY AND FRAGILE TREE IN A FOREST THAT IS DISCOVERED BY 3 BROTHERS PLAYING IN THE OPEN FIELD NEARBY. ONE OF THE BROTHERS, ZACK, COMMUNICATES MYSTERIOUSLY WITH THE TREE AND BEGINS TO WATER THE TREE. IN TIME, THE TREE BECOMES STRONG AND HEALTHY, ZACK AND HIS FRIENDS CLIMB UP AND SWING ON THE BRANCHES OF THE TREE. AFTER A FEW DAYS, THE TREE CUTTERS ARRIVES...ACORN EL THE TREE IS CUT DOWN AND THE WOOD IS USED FOR SOMETHING SO INTRIGUING...

A little ebony tree is looking for tree friends, but the other trees do not want to play. Lucky for him, friends can sometimes be found in unexpected places. This is a beautifully illustrated book for 4-8 year old readers. Proceeds from this sale benefit nonprofit organisation Library For All, helping children around the world learn to read.

In the tradition of John Vaillant ' s modern classic The Golden Spruce comes a story of the unlikely survival of one of the largest and oldest trees in Canada. On a cool morning in the winter of 2011, a logger named Dennis Cronin was walking through a stand of old-growth forest near Port Renfrew on Vancouver Island. He came across a massive Douglas fir the height of a twenty-storey building. Instead of allowing the tree to be felled, he tied a ribbon around the trunk, bearing the words " Leave Tree. " The forest was cut but the tree was saved. The solitary Douglas fir, soon known as Big Lonely Doug, controversially became the symbol of environmental activists and their fight to protect the region ' s dwindling old-growth forests. Originally featured as a long-form article in The Walrus that garnered a National Magazine Award (Silver), Big Lonely Doug weaves the ecology of old-growth forests, the legend of the West Coast ' s big trees, the turbulence of the logging industry, the fight for preservation, the contention surrounding ecotourism, First Nations land and resource rights, and the fraught future of these ancient forests around the story of a logger who saved one of Canada's last great trees.

(As seen on CBS News Sunday Morning with Charles Osgood) Trees resonate deeply in the souls of millions of people. A lonely bur oak in the middle of a southwest Wisconsin cornfield spoke to photographer Mark Hirsch. That Tree spoke of hidden beauty and hope. It spoke of patience and dedication. It even gave him personal healing he wasn't aware he needed. Thus every day for the next year Hirsch would quietly attempt to coax the stories from That Tree. Hirsch, after purchasing his first iPhone, scoffed at the idea that a professional photographer would find the camera inside his new phone interesting in any way. A good friend goaded him into trying it and one day in the middle of a January snow storm Hirsch took his first picture of That Tree. He'd driven past That Tree every day for 19 years and never took a picture. That would change. Now a passionate Facebook following of 33,000+ people look for Hirsch's daily picture of That Tree and countless media outlets have featured Hirsch's story including NPR, NBC News, Le Monde, The Guardian, Sierra Club, Chicago Tribune, Denver Post, San Francisco Chronicle, and many more. That Tree is hardcover, 192 pages, measuring 10x10 inches and is published by Press Syndication Group. 2013.

Whatever will become of me? sighed the sad and lonely little tree. A tiny tree stands all alone on the edge of a felled forest. Whispering winds swirl, and native birds gather around, bringing gifts of blossoms and berries to adorn the lonely little tree... what a magical sight on this Christmas night.

Have you heard of the Beasts? No? Well, I'm not surprised. Not many people have. That's because the Beasts are very rare. This is the tale of one Beast, the rarest of the rare, a Beast who decides he is lonely and sets out to find the other Beasts. Will his daring and dangerous journey lead him to some friends?
