"What a fascinating book! From theory to practice, it's all here. . . . This book will be a treasured addition to any magickal library."--Oberon Zell-Ravenheart, author of *Grimoire for the Apprentice Practical*, inspirational, and comprehensive, *The Big Book of Practical Spells* is a useful tool and resource for beginners and experienced devotees of the magical arts. Here in one majestic volume is a basic introduction to magic; a psychic glossary; a primer on the four elements, colors, and magical supplies (including minerals and botanicals); and a compendium of spells for any situation you may face. With Judika Illes as your guide, you will learn how to enhance your psychic power, cleanse your aura, protect yourself from malevolent powers, and create and use a wide variety of spells. There are spells for marriage, fertility, pregnancy prevention, babies and children, money, healing, and transitioning to the next life. These are spells that will help make life easier, more productive, and stress free. "Judika Illes underscores the fact that magic is real and available to everyone. As she says: "Magic is your birthright." And there is no negative magic included--nothing harmful to you or anyone else. Now you have no excuse not to use it."--Raymond Buckland, author of *Buckland's Complete Book of Witchcraft*
