The Player of Games is Iain M. Banks' second novel in the Culture series. The Culture has given rise to many great Game Players, a logical situation in a society in which the biological sentients work and play for the same reason - pleasure.

~~The Player of Games | The Culture Wiki | Fandom~~

The Player of Games continues Banks' Culture Series, which started with the equally glorious Consider Phlebas. Whilst the two are unrelated, save for the setting of the Culture universe, Banks develops and explores the Culture itself with absolutely stunning vision and creativity; his mind really was genius.

The Player of Games: A game so complex it mirrors the society around it Originally posted at Fantasy Literature The Player of Games (1988) is the second published book in the well-known Culture series featuring the post-scarcity utopian machine-human galactic empire known as the Culture. Once again Iain M. Banks adroitly chooses to focus on the interactions of the Culture with a non-Culture society, this time the more primitive empire of Azad.

~~The Player of Games (Culture, #2) by Iain M. Banks~~

The Player of Games is a science fiction novel by Scottish writer Iain M. Banks, first published in 1988. It was the second published Culture novel. A film version was planned by Pathé in the 1990s, but was abandoned.

~~The Player of Games - Wikipedia~~

"The Player of Games" was first published in 1988 and is the second in the "Culture" series. It explores what a civilization would look like if hyper-advanced technology were created to

serve human needs and surpassed human capabilities. Zuckerberg writes that he went with a sci-fi pick as a "change of pace."

~~The Culture: Consider Phlebas/Player of Games/Use of...~~

The Player of Games is taken to the Empire of Azad to play the greatest of games. the game is Azad is the Empire of Azad is the U.S. and the U.K. and all such toxic empires. in a civilized culture, all empires must fall. the game is feints and surprises and moves within moves; the game is the past that must be broken on the wheel of the future.

~~Book Review: The Player of Games (Culture, #2) by Iain M...~~

The Culture - a human/machine symbiotic society - has thrown up many great Game Players, and one of the greatest is Gurgeh. Jernau Morat Gurgeh. The Player of Games. Master of every board, computer and strategy.

~~The Player of Games: Amazon.co.uk: Iain M. Banks ...~~

As for the actual story, "Player Of Games" is a tightly structured examination of one individual, the ultimate strategist and grand wizard of gaming in the galaxy. This is his story as he is inserted into a barbaric and backward empire whose social structures, religions and politics all center around a complex series of games (or one large game) from which all wealth, privilege and power is derived.

Ownership of video game entities is a major issue in video game culture. On one side, players, especially those who played with avatars for several years, have treated the avatars as their property. On the other hand, publishers claim ownership of all in-game items and characters through the EULA (End User License Agreements).
