Seraphina Van Curen and Sebastian Cartier thought they were soul mates once upon a time. But for over a year, they have been well aware of just how quickly love can turn to hate and how cruel fate can be. They might not be able to stand the sight of each other, but that's okay since they avoid each other like the plague.When danger strikes too close to home, and ancient Magic surfaces, they find themselves in the center of a deadly war. Seraphina and Sebastian strike an uneasy truce in order to end Dmitri Terletov, once and for all. They must work together to save what's left of the Kingdom and protect the people they love most.Along the way, they discover fate isn't finished with them yet.Fate is just getting started.

In the fourth installment of the Star-Crossed Series, we find Eden Matthews a prisoner in the very household she set out to destroy. She is without magic and engaged to the same boy who betrayed her and everyone she loves. With her wedding looming on the horizon, conditions for her people continue to worsen and her goal of offering her kingdom freedom seems further away than ever. Her brother is free however, and building a Rebellion that hopes to rescue her. Eden's parents are working with the Resistance and inside the Citadel Eden finds more allies than she thought possible. However, there is more at stake for Eden than just an unwanted marriage. Her heart is on the line too, as she fights the pressures of palace life, the prejudice ingrained in her people, a seemingly unbeatable king, and buried feelings for a love that should not exist.

After returning home from Romania, and successfully saving her best friend Lilly, Eden Matthews must now come to terms with her future as an Immortal. She is in love with the Crowned Prince, but he is betrothed to someone else. Her family desperately wants her to join their rebellion, but that would mean fighting against her one, true love, Kiran Kendrick. She must fight off assassins that want her dead, an Immortal rite of passage that takes her to India and a deadly disease that no one has thus far survived. Danger seems to lurk around every corner as Eden Matthews struggles to keep her true identity a secret and protect those that she loves. Eden must find a way to be with Kiran, or turn her back on him forever and fight to save her people. Hopeless Magic is the second installment of the Star-Crossed series.

While performing the greatest love story of all time, they discovered one of their own... Cassie Taylor was just another acting student with big dreams at her prestigious performing arts college...then she met Ethan Holt. She was the good girl actress. He was the bad boy on campus. But one fated casting choice for Romeo and Juliet changed it all. Like the characters they were playing on stage, Cassie and Ethan's epic romance seemed destined. Until it ended in tragedy when he shattered her heart. Now they've made it to Broadway where they're reunited as romantic leads once again—and their passionate scenes force them to confront the heartbreaking lows and pulse-pounding highs of their intense college affair. For Ethan, losing Cassie was his biggest regret—and he's determined to redeem himself. But for Cassie, even though Ethan was her first and only great love, he hurt her too much to ever be trusted again. The trouble is, working with him again reminds her that people who rub each other the wrong way often make the best sparks. And when it comes to love, sometimes it's the things that aren't good for us that are the most irresistible. Don't miss Leisa Rayven's Bad Romeo, the intoxicating romance beloved by over two million fans online—a story that'll captivate you and hold you breathless until the final page.

The King had a good head on his shoulders—for the moment, anyway. Everyone agreed that King Jorian of Xylar had been a good and just ruler. In fact, many also agreed that, in this case, it was a pity that the laws of Xylar decreed that each randomly chosen King must reign for only five years and then, after due pomp and ceremony, have his head cut off! Understandably, Jorian himself was wholeheartedly in agreement with the second sentiment, so with the help of a spell provided by the wizard Karadur, he escaped from the beheading ceremony with his head still on his shoulders. Unfortunately, his beloved wife, Queen Estrildis, was left behind, and getting her out of Xylar would be anything but simple—particularly with the Royal Guard of Xylar hot on the trail of their fugitive monarch. With Karadur's magic, Jorian might be able to pull off the rescue. But first, he would have to locate a trove of ancient spells, deal with an enemy wizard, steal an item from a 500-year-old (but still beautiful) princess who turns into a giant serpent at inopportune moments, repair the giant tower clocks of Iraz to fulfill a prophecy, break a pirate siege, and finally fly back to Xylar in an enchanted bathtub and whisk away his beloved Estrildis before the Royal Guard notices that their King (not to mention his head) has returned. Then things began to get complicated... At the publisher's request, this title is sold without DRM (Digital Rights Management).

The Relentless Warrior is Book Six in the Star-Crossed Series. Jericho Bentley is disillusioned by life. He feels lost in a world of peace and restless in a time threatened by war. He has given up on love, forgotten how to trust others and decided a lifetime of bachelorhood is all that remains for him. Olivia Taylor was struggling to find her way in a human world. Now taken from the only life she's ever known and changed on a molecular level, she is more lost than ever. With her sister struggling to survive the after effects of one of Dmitri Terletov's experiments, Olivia sets off with Jericho to find a cure for both herself and her sister. Together, Jericho and Olivia find more than vengeance and answers, they find a deep friendship that might teach them both to trust again. Maybe even to love again. As long as they can both put the hurt of their past behind them for good.

Along the way, they discover fate isn't finished with them yet.Fate is just getting started.

NOW A NETFLIX ORIGINAL SERIES Frustrated at the path her life has taken, Alica decides to take control of her personal life using astrology as her guide in this quirky, steamy, and hilarious romantic comedy. Alica Bassi is (a little) over thirty, single (not by choice), and she can't help but feel that she is failing at this whole adulthood thing. She's stuck in a dead-end job, just found out her ex-boyfriend is engaged to his pregnant girlfriend, and Richard Gare hasn't shown up with flowers and a limo to save her from it all. On one particularly disastrous morning—when Alica would much rather have stayed home, curled up with her favorite rom-coms—she meets Davide Nardi. Handsome yet indecipherable, Davide would be the leading man of Alica's dreams—if only he weren't the "hatchet man" brought in to help streamline production and personnel at the small television network she works for. In the midst of all this, Alica runs into Tio—an actor and astrology expert who is convinced he can turn her life around with a little help from the stars. Skeptical but willing, Alica decides to take Tio's advice and only date men whose Zodiac signs are compatible with hers. Unfortunately, it turns out that astrological affinity doesn't always guarantee a perfect match, nor prevent a series of terrible dates, disappointments, and awkward surprises. It also doesn't keep Davide from becoming more attractive every day. Perfect for fans of Bridget Jones's Diary and Star-Crossed, An Astrological Guide for Broken Hearts is a witty, sexy, and relatable portrait of a modern woman's search for love and a dream job, only to discover that your destiny isn't always written in the stars.

"Beautifully written and deliciously complex...I couldn't get enough." —Nicki Pau Preto, author of the Crown of Feathers series The Cruel Prince meets City of Bones in this thrilling urban fantasy set in the magical underworld of Toronto that follows a queer cast of characters racing to stop a serial killer whose crimes could expose the hidden world of faeries to humans. Choose your player. The "ironborn" half-fae outcast of her royal fae family. A tempestuous Fury, exiled to earth from the Immortal Realm and hellbent on revenge. A dutiful fae prince, determined to earn his place on the throne. The prince's brooding guardian, burdened with a terrible secret. For centuries, the Eight Courts of Folk have lived among us, concealed by magic and bound by law to do no harm to humans. This arrangement has long kept peace in the Courts—until a series of gruesome and ritualistic murders rocks the city of Toronto and threatens to expose faeries to the human world. Four queer teens, each who hold a key piece of the truth behind these murders, must form a tenuous alliance in their effort to track down the mysterious killer behind these crimes. If they fail, they risk the destruction of the faerie and human worlds alike. If that's not bad enough, there's a war brewing between the Mortal and Immortal Realms, and one of these teens is destined to tip the scales. The only question is: which way? Wish them luck. They're going to need it.

This epic World War II tale of star-crossed lovers separated by class, circumstance, and tragedy—from the internationally bestselling author of the "gripping...filled with passion and hope" (Kate Quinn, New York Times bestselling author) The Girl They Left Behind—explores the impact of war on civilian life and the indestructible resilience of first love. Hungary, 1943: As war encroaches on the country's borders, willful young Eva Csar arrives in the idyllic town of Sopron to spend her last summer as a single woman on her aristocratic family's estate. Longing for freedom from her domineering father, she counts the days to her upcoming nuptials to a kind and dedicated Red Cross doctor whom she greatly admires. But Eva's life changes when she meets Alejandro, a charming and passionate Romani fiddler with a love for painting. With time and profound class differences against them, Eva and Alejandro still fall deeply in love—only to be separated by a brutal act of hatred. As their lives diverge and they are each swept into the tides of war and its aftermath—they try to forget what they once shared. But as the years pass, the haunting memory of their romance will re-shape their destinies and drive them to decisions which are felt through generations. From the horrors of the Second World War to the tensions of the 1956 Hungarian uprising and beyond, When the Summer Was Ours is a sweeping story about the toll of secrets, the blurred lines between desire and loyalty, sacrifice and obsession, and the endurance of the human spirit.
