In the years leading up to and after the Second World War thousands of women left school at fourteen to work in the bustling factories of London j s East End. Through the Blitz and on through the years of rationing the 'Sugar Girls' kept Britain sweet. The work was back-breakingly hard, but Tate & Lyle was more than just a factory: it was a community, a calling, a place of love and support and an uproarious, tribal part of the East End. From young Ethel to love-worn Lilian, irrepressible Gladys to Miss Smith who tries to keep a workforce of flirtatious young men and women on the straight and narrow, this is an evocative, moving story of hunger, hardship and happiness.

ONE OF THE NEW YORK TIMES BOOK REVIEW'S TEN BEST BOOKS OF THE YEAR • MAN BOOKER PRIZE FINALIST • " A gripping historical narrative exploring both the bounds of slavery and what it means to be truly free. " —Vanity Fair Eleven-year-old George Washington Black—or Wash—a field slave on a Barbados sugar plantation, is initially terrified when he is chosen as the manservant of his master ' s brother. To his surprise, however, the eccentric Christopher Wilde turns out to be a naturalist, explorer, inventor, and abolitionist. Soon Wash is initiated into a world where a flying machine can carry a man across the sky, where even a boy born in chains may embrace a life of dignity and meaning, and where two people, separated by an impossible divide, can begin to see each other as human. But when a man is killed and a bounty is placed on Wash ' s head, they must abandon everything and flee together. Over the course of their travels, what brings Wash and Christopher together will tear them apart, propelling Wash ever farther across the globe in search of his true self. Spanning the Caribbean to the frozen Far North, London to Morocco, Washington Black is a story of self-invention and betrayal, of love and redemption, and of a world destroyed and made whole again.

The Donner Party expedition is one of the most notorious stories in all of American history. It ' s also a fascinating snapshot of the westward expansion of the United States, and the families and individuals who sacrificed so much to build new lives in a largely unknown landscape. From the preparation for the journey to each disastrous leg of the trip, this book shows the specific bad decisions that led to the party ' s predicament in the Sierra Nevada Mountains. The graphic novel focuses on the struggles of the Reed family to tell the true story of the catastrophic journey. This popular topic is a perfect addition to the Nathan Hale ' s Hazardous Tales brand, and a great showcase for Hale ' s storytelling skills. Praise for Nathan Hale's Hazardous Tales: Donner Dinner Party "This informative graphic novel capitalizes on enticingly gross history to great effect, balancing raw facts with strong storytelling." --Booklist Awards YALSA's Great Graphic Novels for Teens List 2014 New York Public Library ' s list: Children ' s Books list: 100 Titles for Reading and Sharing 2013 Notable Social Studies Trade Books for Young People 2014
