The Third Twin is sophomoric with every character a stereotype. The novel has little suspense, no interesting characterizations, with foolish plot devices and juvenile twists abound. Ken must be simply churning out the pulp to make a few bucks. Save your money.

~~The Third Twin (TV Movie

I am a huge Ken Follett fan
and have read many of his
books. Third Twin was
something different from the
period pieces which I enjoy.
The story was well written
though a bit predictable and
Follett's style of writing
has always kept me
interested. The characters
remind me of of some more
recent novels and as always
are rich and vivid.
