experience, with particular attention paid to considering issues of race, class and gender. The text provides a balanced approach to U.S. history, considering the people, events and ideas that have shaped the United States from both the top down (politics, economics, diplomacy) and bottom up (eyewitness accounts, lived experience).

The Reconstruction Era and The Fragility of Democracy uses our pedagogical approach to help students examine how a society rebuilds after extraordinary division and trauma, when the ideals of democracy are most vulnerable. The unit presents educators with materials they need to engage students in a deep study of the pivotal era of American history that followed the Civil War. It provides history teachers with dozens of primary and secondary source documents, close reading exercises, lesson plans, and activity suggestions that will push students both to build a complex understanding of the dilemmas and conflicts Americans faced during Reconstruction and to identify the legacies of this history that extended through the 20th century to the present day. These materials will help students examine closely themes such as historical memory, justice, and civic participation in a democracy. The unit includes a variety of interdisciplinary teaching strategies that reinforce historical and literacy skills."

This extensive test prep manual covers the AP United States History curriculum, and will help prepare students for the most current exam with: Two full-length practice tests that feature all questions answered and explained Test-taking strategies for answering both the test's multiple choice, short answer, long essay, and document-based questions A detailed review of U.S. history, from pre-contact American Indian societies and the evolution of Colonial society, the American Revolution, the Civil War and Reconstruction, the growth of industrial America, World War I, the Great Depression, World War
