The word segregation itself has to do with the idea of the ...

CiteSeerX | 1 URBAN SEGREGATION: A Theoretical Approach

considers segregation as the unequal distribution of social groups in the urban space. These two approaches tend to be used separately from one another, and among them the geographical approach is most commonly used. Most existing studies of urban segregation have their main focus on residential locations. The spatial aspect of urban segregation is usually assumed to be uneven locational housing patterns.
