About The Book Locke Vinetti is a high school junior, disenchanted and more than a little hostile. In fact, for years he's had a lousy social life because of a problem he has with his anger—a force he calls "the venom." Ever since he was eight years old and bit off a piece of a classmate's nose, he's been something of a loner.

Christopher Krovatin (born 1985) is an American author and musician living in New York City. He has published four novels – Heavy Metal and You (2006), Venomous (2008), Gravediggers: Mountain of Bones (2012, intended as the first in a series) and Frequency (2018) – and written for the heavy metal magazine Revolver Magazine.

[Christopher Krovatin - Wikipedia](#)

This isn't just about the growing pains, to think that would belittle Venomous. But it is the story of a young man fighting his inner demon and trying like hell to beat it- not only for himself, but for his mom and his little brother. He finds peace with Renee and eventually a place for himself in a world he finds through his best friend, Randall.
