Volvo Support—Volvo Cars

The Volvo PV is a series of two-door, four-passenger car models — the PV444 and the PV544 — made by Volvo from 1947 to 1966. During World War II's early stages, Volvo decided that a new, smaller car that could deliver good fuel economy would assure the company's future. A raw materials shortage during the war drove home the point that an automobile should be smaller, and also complicated ...
