Why I'm no longer "Anonymous" More than two years ago, I published an anonymous opinion piece in The New York Times about Donald Trump's perilous presidency, while I was serving under him. He responded with a short but telling tweet: "TREASON?" Trump sees personal criticism as subversive. I take a different view.

Wednesday September 23 2020, 12:00pm. Reni Eddo-Lodge wrote her blog post Why I'm No Longer Talking to White People About Race in 2014, fueled by a hopelessness over the difficulty of communicating her racism-related experiences in the face of the "emotional disconnect" of a white audience. While this blog post gave its title to the book and forms its introduction, the pessimism they both convey does not give an accurate overview of the book.

In Why I'm No Longer Talking To White People About Race Eddo-Lodge clearly shows the legitimacy of the claim that structural racism and its symptoms continue to be rampant in today's society. She does though express hope as she describes how in 2017 she felt that, despite

the continuation of far right political progress, the world climate was finally ready to discuss racism.

This is why I'm writing out this highly personal account after so long — because I was just a normal young girl who went vegan because I was promised health. Because I fell for the absolute lie that animal products were the reason our collective health was failing, that diseases were on the rise, and that the obesity rates were rapidly rising.
