Step 1, Place the Wii near your TV. Make sure that the Wii is placed close enough for the cables to reach the TV and the power outlet.[1] X Research source If you are using the vertical stand, first make sure that the stand is assembled by taking the vertical stand and the round piece of plastic and sliding them together until they click. Step 2, Connect your Wii to a power source. Plug the power cable that came with your Wii into an electrical outlet, then plug the other end into the port on ...
